**POLICIES, TERMS AND CONDITIONS AGREEMENT**

**COMMUNICATIONS POLICY**

Faith over Fear Tumble & Cheer expect all of our students and their families, our coaches and staff to treat each other with the utmost respect at all times. Our Staff adhere to an open door communication policy to help each parent and athlete understand every decision in which they are involved, but do ask that it is communicated in an appropriate and respectful manner. We strongly encourage that parents have their athlete speak with coaches directly in order to remove any feelings of a communication barrier.

All communications via email and/or text message from under age athletes to staff members must also include the parent as a recipient.

Announcements concerning class times, cancellations, gym closings and other necessary information will be communicated to parents via our website, our private group text message platforms and our social media accounts.

During classes and practices, coaches are needed to instruct the athletes. We ask that parents do not approach a coach during a class or practice. Any issues may be discussed at the end of the session.

If a student and/or members of their families attitudes or actions interfere with a practice or performance, they will be disciplined, and, if necessary, removed from the facility or event. If a problem arises with a Faith Over Fear Tumble and Cheer policy, a staff member, another student or their family member, we ask that you inform our Director privately and the issue will be addressed discreetly and impartially.

Please keep in mind that while coaches are there to speak openly with you about any questions or concerns regarding your athlete, we will never speak about a decision made regarding another athlete unless they and/or their parent is present to give consent to share information.
